Rhode Island Department of Education Data Collection Specifications – Student Contact

Last Updated on April 6, 2021

About

Student Contact includes data regarding how to contact a student. The data set includes mailing address, email address, and phone numbers for a student as well as primary and secondary contacts.

Requirements

Student Contact should be submitted at the beginning of the year and kept up-to-date throughout the school year.

Changes for 2021-22 School Year

For the 2021-22 school year, 3 additional acceptable values have been added for the *PC_STUDENT_RELATION* and *SC_STUDENT_RELATION* fields. The new acceptable values are PARENT, STEPPARENT, and PIBLING.

Submission Process

Student Contact data can be submitted through eRIDE (www.eride.ri.gov) using the Enrollment Census application or through the Automated Data Transfer (ADT) agent. *Student Contact* is a submission type within the Enrollment Census application.
