Sanction or Intervention Status Key (Status Codes)																				
1	New School (first year of operation)																			
2	Watch (a school in a Caution or Insufficient Progress status for the first year)																			
3	In Need of Improvement, Choice (Title I school)																			
4	In Need of Improvement, Supplemental Services (Title I school)																			
5	In Need of Improvement, Corrective Action (Title I school)																			
6	In Need of Improvement, Delay, first year making AYP for a school "In Need of Improvement" in the prior year.																			
7	In Need of Improvement, PS&I, non-Title I school, two or more years of not meeting AYP in the same content area or nonacademic indicator to enter a 7 status. (Then, a parenthetical indicator notes number of years in this status.)																			
8	In Need of Improvement, Restructuring (Title I school) (A separate parenthetical indicator presents number of years in restructuring.)																			
T	Title I school																			
* A school may receive multiple codes. For example, a T, 3, 4 school is a Title I school providing both Choice (to select another school) and Supplemental Educational Services.																				
Note: Parenthetical values are used with status codes 7 and 8 to indicate the number of consecutive years in that status.
