Districts	2004-05	2005-06	2006-07	2007-08	2008-09	2009-10
Warwick			Watch	Watch		Watch
West Warwick	Intervention Year 2 – Cont.	Intervention Year 3	Intervention Year 3 – Cont.	Intervention Year 4	Intervention Year 5	Intervention Year 5 – Cont.
Westerly		Watch				Watch
Woonsocket	Intervention Year 3	Intervention Year 4	Intervention Year 5	Intervention Year 6	Intervention Year 7	Intervention Year 8

Note: The term continuing (Cont.) means that a district met AYP requirements for that school year but must remain in the intervention status of the prior year. When AYP is met for two consecutive years, a district is removed from “intervention status.” As of 2007-08, a district does not move from watch to intervention status until it misses similar targets for two consecutive years.
