

## Interim Assessments Training

**What:**

The training will include:

- an overview of the technical systems including test management, scanning, and scoring
- sessions with RIDE content specialists in math, ELA and science to learn what content is covered on the fixed form assessments and which standards are included in the test construction tool
- scoring professional development for constructed response items
- report interpretation

**When:**

Wednesday September 18<sup>th</sup>

- Morning session: 8:00-11:30
- Afternoon session: 12:00-3:30

Educators can attend sessions in either the morning or the afternoon, or if interested in all of the sessions they are welcome to stay all day. See the schedule below.

**Where:**

Rhode Island Department of Education  
 255 Westminster St, Providence RI 02903  
 Registration will be in room 243

**Who:** Lead educators, including building administrators, are encouraged to attend, with no more than 2 attendees per school. LEA leaders are also encouraged to attend.
