

**RIDE Approved Career Preparation Programs**  
As of September 2014

The following list documents the Career and Technical Education programs that are designated as RIDE-approved.

Under the 2012 Regulations Governing Career and Technical Education in Rhode Island, all RIDE-approved career preparation programs must meet the career preparation program standards and participate in the state-managed quality assurance process that focuses on the review and approval of programs. If any program has changed or is no longer in operation, please notify RIDE as soon as possible at [careerandtechnicaleducation@ride.ri.gov](mailto:careerandtechnicaleducation@ride.ri.gov).

Students may access RIDE-approved CTE programs outside of their resident district. For more information click [here](#).

**Program Type:** The category that best aligns to the CTE program. These categories are aligned to reporting in the Uniform Chart of Accounts (UCOA), distribution of categorical funding and recognized credentials. If there is an error in the program category, please notify RIDE as soon as possible at [careerandtechnicaleducation@ride.ri.gov](mailto:careerandtechnicaleducation@ride.ri.gov).

**Program Name:** The current name of the program RIDE has on file for the program. If the name of your program has changed or it is no longer in operation, please notify RIDE as soon as possible at [careerandtechnicaleducation@ride.ri.gov](mailto:careerandtechnicaleducation@ride.ri.gov). The program can also update its information annually during the CTE data collection.
